

PUBLIC NOTICE
UTAH DEPARTMENT OF ENVIRONMENTAL QUALITY
VOLUNTARY CLEANUP PROGRAM

The Utah Inland Port Authority (UIPA) is seeking public comment on an expansion request to the Remedial Action Plan detailing the cleanup of a portion of the former North Temple Landfill, also known as Airport West, located at approximately 6500 West North Temple Frontage Road. The expansion request adds an additional 112 acres to the original 175-acre area and includes additional removal of municipal solid waste (identified as the Phase I Expansion Area) which will be consolidated into the existing on-site repository. Long-term monitoring will be conducted to ensure the protectiveness of the remedy for the future commercial/industrial land use planned for this site. The proposed expansion area is situated between 700 North and the North Temple Frontage Road within the center of the landfill and immediately west of the repository.

The 15-day public comment period to receive comments on the expansion request to the Remedial Action Plan under the Utah Department of Environmental Quality's Voluntary Cleanup Program (VCP) will commence on June 14, 2026 and end at 5 p.m. on June 29, 2026.

A copy of the expansion request to the Remedial Action Plan, titled Airport West VCP – Phase 1 Expansion Area, can be reviewed at the Division of Environmental Response and Remediation Public Notices website at: <https://deq.utah.gov/derr/derr-public-notice>.

In addition, the original RAP prepared for this site is available on-line at <https://lf-public.deq.utah.gov/WebLink/browse.aspx?id=5&dbid=0&repo=Public> using the search phrase "Airport West VCP".
